SELF CUSTODY LABS

Diceware passphrase worksheet

> **Filled in, this sheet is your passphrase. Never keep it in the same place as the seed phrase: a thief who finds both can spend everything.**

Roll five dice at once and read them left to right, one die per box. Find the five-digit number in the EFF long word list and write the word, in lowercase. Six words, and no rerolling a word you dislike.

#	Die 1	Die 2	Die 3	Die 4	Die 5	Word	Letters
1							
2							
3							
4							
5							
6							

LENGTH

WHOLE PASSPHRASE, WITH SINGLE SPACES
